QUALITY & CERTIFICATION

GLOBALG.A.P · BRCGS · ISO 22000 · ISO 9001:2015 · HACCP · Sedex SMETA

The certifications displayed are held by the farms we contract with, supervise, and source our crops from, as well as by the certified packing and processing facilities where our products are prepared under facility leasing or contract processing agreements. We are also currently working to obtain certifications for our own farms and will make them available as soon as the certification process is complete.
